

PSC QuickCheck

<English version>

CONTENTS

- 1. GENERAL**
 - 2. WHEELHOUSE**
 - 3. ACCOMMODATION AREA**
 - 4. DECK**
 - 5. ENGINE ROOM**
 - 6. SURVIVAL CRAFT & RESCUE BOAT**
 - 7. OTHERS**
- * ANNEX(DIRECTORY)**

The PSC QuickCheck, as a brief type of PSC checklist, provides ships, which have insufficient time to prepare for PSC inspections, with high efficiency. However, noting that it does not cover all PSC items, users are requested to basically make use of PSC-related checklists provided from KR and/or developed by the company. Besides, please be informed that KR has no responsibility for any deficiency or ship detention caused from PSC items which are not described in the PSC QuickCheck.

I. GENERAL

1. Certificates

1.1 Valid dates

2. Documentation

2.1 Approval(if applicable) and validity

3. Records

3.1 Oil record book, garbage record book,
record of hours of rest, etc.

1. Means of escape

- 1.1 Internal dimension
- 1.2 Insulation
- 1.3 Self-closing door
- 1.4 Emergency light

2. Quick closing valve

- 2.1 Working condition
- 2.2 Any obstruction(wedge, bolt, etc.) NOT permitted

3. Jacketed pipes condition

4. Oil filtering equipment

- 4.1 Working condition and crew familiarization
- 4.2 15ppm bilge alarm
- 4.3 Cleanliness of outboard discharging valve

5. Sewage treatment plant

- 5.1 Working condition and crew familiarization
- 5.2 Discharging rate table approved

6. E/R cleanliness

7. Engine log book

VI. SURVIVAL CRAFT & RESCUE BOAT

1. External condition including davit

2. Stowage condition

3. Engine starting

4. Launching appliances

4.1 Working condition

4.2 Leakage

5. Secondary means of rescue boat launching(stowed mechanical power)

5.1 Working condition

5.2 Drill and crew familiarization

VII. OTHERS

1. Emergency generator

2. Emergency fire pump

3. Fixed CO₂ fire extinguishing system

3.1 External condition

3.2 Safety pin condition

3.3 Crew familiarization

**4. Fixed fire extinguishing system
for paint room**

4.1 External condition

4.2 Working condition

4.3 Crew familiarization

5. Condition of fire dampers

5.1 E/R, cargo hold, funnel, etc.

6. Emergency drills

7. Familiarization with emergency duties
