Fax : +82-70-8799-8319

E-mail: shinsh@krs.co.kr

Person in charge : Shin Seung-Han

Recipients: PIC for MLC

No. : 2016-15

Date : 07 Dec. 2016

subject : HONG KONG FLAG - Information for MLC,2006 Amendments and transitional measures(2nd)

Addition to the ISM/ISPS/MLC circular(2016-13), please be aware of the further information for transitional measures about 2014 MLC amendments for Hong Kong flag vessels.

1. Summary of Amendments

- To simplify the procedures, Hong Kong Administration accepts that a supplementary to DMLC Part II only provides items 15 and 16 on financial securities for repatriation and shipowners' liability("the supplement") instead of the full list of the items 1 to 16.
- RO may issue a letter or stamping or signing on the reviewed documents.
- Final endorsement shall be done during next schedule inspection

2. Preparation

Shipowner:

- Shipowner shall be requested to apply for re-reviewing the DMLC Part II(15 and 16 items) to us(kr-dmlc@krs.co.kr) for Hog Kong flag vessels as soon as possible and the re-reivewed documents shall be sent to the vessels before 2017.01.18.
- Attachments for applying :DMLC Part I and DMLC Part II 15 & 16 (no need any evidences for the financial security)
- The official form for DMLC Part II shall be used by Appendix on Hong Kong circular SD/S 800/1(issued at 2016.12.06) and the blanks for 15 and 16 items shall be written and the blank for Shipowners information including signature and stamp also be written.
- The reviewed DMLC Part II(15&16) shall be endorsed at next schedule inspection by KR field inspector and MLC certificate shall be re-issued because of changing endorsed date and place.

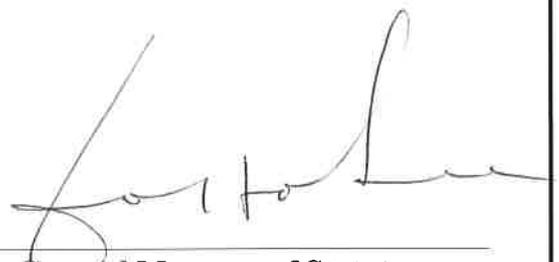

3. Remark

- According to the ILO resolution, the DMLC Part I&II shall be amended until the renewal inspection. However, many flags they have their own procedures for adopting 2014 MLC

amendments when DMLC Part I&II will amended. It is quite concerned that this may occur some confusion to shipowner or MLC inspector on field. For prevent any confusion, it shall be strongly suggested that DMLC Part I & II shall be amended at the earliest opportunities such as intermediate, renewal inspection regardless of ILO resolution.

4. Attachment

- SD/S 800/1(issued at 2016.12.06)
