

Guidance for Fuel oil Treatment System

■ Summary of Major Amendments

Related Rules/Guidance	Effective date
Pt 5 Annex 5-14	ships for which contracts for construction are signed on or after 1 July 2019.

■ Major Amendments

○ Reason for Amendments

- Reflection of IACS REC.151

○ Amendments

- It mentions recommendations for fuel oil treatment systems for diesel engines and reflects performance and inspection requirements for system performance, fuel oil sampling, and fuel oil tanks/temperature control equipment/fuel oil pumps/filters/purifire.
